

Provider Access Policy Statement

Review Cycle	Annually
Committee	Local Governing Board
Adopted	July 2021
Review Date	July 2022

1. Aims

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- Procedures in relation to requests for access
- The grounds for granting and refusing requests for access
- Details of premises or facilities to be provided to a person who is given access

2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the [Education Act 1997](#).

This policy shows how our school complies with these requirements.

3. Student entitlement

All students in years 7 to 11 at Litcham School are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point
